Speaker Recruitment

TECH IT OUT

Tech It Out is a premiere WICT Rocky Mountain day-long signature event held annually to celebrate new technologies, innovation, STEM and student outreach.

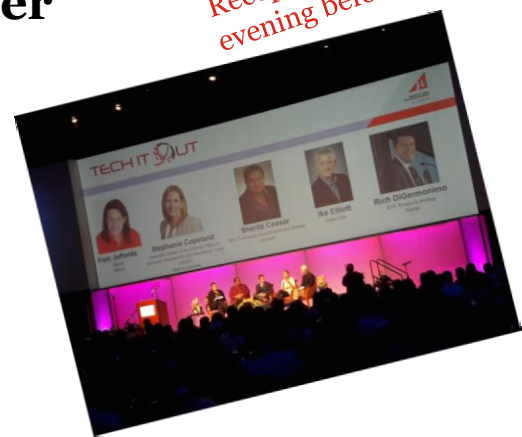

This event explores diversity in tech and inspires participants to advance their careers in cable and technology through a diverse event program of expert speakers, and influential technology leaders.

This event will be in its 11th year and attracts over 400 professionals in the cable and telecommunications industry as well as STEM students from local high schools and colleges.

We are looking for nationally recognized speakers who can make a dynamic contribution to our 2018 Tech It Out event!
