

**Stephanie Rideau**, *Area Vice President (AVP) Mountain West Region, Comcast*

Stephanie joined the Mountain West Region in 2020 as Sr. Director of Business Development. In this role, she spearheaded the start-up of the new Business Development team and led network expansion efforts to deliver large growth projects such as Aerotropolis, Eagle Mountain and Las Cruces. In addition, she delivered strong performance for advanced product growth for Managed WiFi and WiFi Ready products to lead the West Division. Previously, she worked in the Keystone Region as Director of Business Operations and Development for Comcast Business where she created the Sales Support team for the SMB sales channel, launched Frictionless and led the region's Culture Workstream of the DE&I council. Prior to joining Comcast, Stephanie was the Director of Risk Capital Adequacy at BNY Mellon. She also spent time at Thermo Fisher Scientific and Merck.

Stephanie holds a Bachelor of Science in Chemical Engineering with a minor in BioEngineering from the University of Pittsburgh, an MBA from Carnegie Mellon University and a Master of Science in Leadership from Duquesne University. She is also a graduate of the Coro Pittsburgh's Women in Leadership program.

An active community member, Stephanie is part of the current cohort of Leadership Denver 2022, a member of her sorority, Alpha Kappa Alpha (Aurora Chapter), and sits on the board of the Boys & Girls Club of Metro Denver.

Stephanie lives in Aurora, Colorado with her husband and daughter. In her spare time, she loves to Wordle, visit wineries, scout new places to travel and visit cupcake stores around the nation.

Stephanie has already made great strides in the Mountain West Region, and I'm confident her strategic, operational and relationship-building skills will continue to make her successful in the new role. Please join me in congratulating Stephanie on her promotion!
