

Janice Silver is Vice President of the Intrapreneurship Academy at the Syndeo Institute. With over 30 years of marketing, management, and training experience in the telecom, cable, and nonprofit sectors, she launched the Intrapreneurship Academy in 2017, whose mission is to develop leaders who can innovate, find opportunity in change, and lead with empathy and confidence. Janice co-developed Driving Innovation as its first course, subsequently expanding Intrapreneurship Academy's course catalog to include Leading with Agility, Intrapreneurial Leadership, and Human Innovation in an AI World. Janice has also developed Masterclasses, Webinars, and Online Sprints to help organizations scale learning. Janice received WICT's Leader to Watch award in 2019.
